

# Christmas story

Once upon a time there was a boy called Henry. Henry was very lucky at Christmas what he asked for he always got, but one day he asked for something that he didn't get for Christmas. He was sad because he always got what he wanted. The next day on boxing day he got a tin of Pokémon. Henry loved Pokémon and he was very happy, but then his cousins arrived at his house. Henry told them all about his present. Then one of his cousins was being mean to him because he was jealous of Henry's Pokémon. Henry decided to share his Pokémon with his cousins. Everyone was happy. The next day his cousins were still there, Henry got another Pokémon tin. He was very happy. His cousin got sad so Henry gave him some of his Pokémon's. He was very happy and went back to school with his Pokémon.
